Utilization of State Base and Match Funds Report
In the space below or in an attached word document briefly describe how your district utilized the State base and match funds you received during the previous fiscal year. The minimum level of detail required in this report is to break expenses into the following three categories and indicate how much of the district base and match funds were spent on: 1) Personnel; 2) Operating Costs, and; 3) District Conservation Projects.
Moneys were used to provide information and awards for the local school youth for poster contest, speech contest, the Land Judging event, support of KYG, Ag in Classroom, and Scholarship. We also had a booth at the local County fair and provided handouts of information for Conservation.
