

## Recent projects:

### **Annual Tree Sale**

- Every spring we host an annual tree sale.

### **Range Land Drill**

- We are currently leasing out our rangeland drill. This year has been our biggest year for renting out our drill.

### **County Fair**

- Our booth this year featured our drill and we had our NRCS reps from Butte office join in at our booth as well.

## Future Projects:

### **SNOTEL**

- Blaine Soil Conservation is excited to announce that this year will be the first year that we will have readings available from our new SNOTEL Sight for the Iron Mine Area.

### **Soil Health Project**

- This 5-year project has several objectives: Evaluate the health of the soils in our area by testing their chemical, physical, and biological properties. Assess the effects of various agricultural practices on soil health, such as planting cover crops, using no-till or reduced tillage, integration of livestock, using manure or compost in addition to or in place of commercial fertilizer, and other practices. Educate producers about the importance of soil health. Track our progress in improving the health of our soils over a 5-year period.
