Other funds		\$47.00

2021 Power County Projects

Power SWCD is in the 2nd year of implementing our Power County Soil Health §319 Project.

Grant funds were used to purchase a 15' No-Till Drill for the area producers to use in their Soil Health conservation efforts.

The District assisted 10 landowners in direct seeding/no-till planting over 2,500?? acres which reduced soil erosion and saved approximately 12,450 tons of Soil (4.98 tons/acre) and in planting 1000?? acres of cover crops, saving an additional 4,270 tons (4.27 tons/acre) of soil, improving soil health, and providing needed livestock forage.
