

Recent projects:

Annual Tree Sale

- Every spring we host an annual tree sale.

Range Land Drill

- We are currently leasing out our rangeland drill. The early frost stopped a lot of potential people for October but November picked up on people leasing the drill.

County Fair

- Our county fair was a virtual fair this year due to Covid-19. We sent a flyer of information to the Fair board that highlighted projects that we are participating in and available programs for local producers.

Envirothon

- This year envirothon was a virtual camp. Blaine provided half the funding for the camp T-shirt since there were teams that had registered before the spring lock down happened. We did not have a team compete due to Covid-19

Future Projects:

SnoTel

- Blaine Soil Conservation is currently involved with NRCS in funding a new SnoTel site for the Iron Mine area North of Carey. We are hoping to eliminate 5 of the manual read SnoTels and add the one more efficient new SnoTel. The easements have been finalized. Due to COvid-19 it has slowed the actual set up of the Snotel technology. We hope to have the site up and running soon.

Information

- BSCD is working hard and making the community more aware of the Soil and Water issues that affect Blaine County and what they can do to help us fight erosion and water waste.
- BSCD will continue Snow Surveys to provide water reports.
- BSCD will continue to offer low cost forage and soil sampling to Blaine county areas.

Education

- BSCD will continue to offer scholarships to Blaine County Seniors. We awarded one scholarship this year of \$500.
- BSCD is a sponsor of the Poster Contest at local, state, and national levels. We had a local class participate in Poster Contests this year where we awarded the first 3 places with cash prizes.
- BSCD will continue to sponsor the state Envirothon Competition.
- BSCD is also trying to reintroduce AG, speech and poster contests, and envirothon into Blaine County Schools.
