

Division 5
 Technical Assistance Request
 For FY2015

Narrative of Projects:

Include Local support, Plans for publicizing, Permitting, and maintaining the project.

1: Oneida SWCD has a 319 project Wide Hollow it includes some stock water projects, dry cropland BMPs, and a winter feeding operation. There are currently 8 individuals that have expressed interest in participating in the project. The district does a booth at the local fair to promote past and current projects. It also allows them the opportunity to find interested participants for future projects. Land owners are responsible to submit and secure the necessary permits and are responsible for maintaining the BMPs for the live of the contract.

We are requesting time to:

- On farm planning and develop contracts and conservation plans
- Assist engineer with surveys and construction inspections
- Develop payment applications when BMPs are completed

2: Oneida is requesting time to write a new project application which could include irrigation, dry cropland, and winter feeding areas.

Engineering Requests

Include Surveying, Design, and Construction Inspections.

For the wide hollow 319 project we are requesting time to:

- Survey
- Design BMPs
- Construction inspections and certification
