Dear Delwyne:

The North Bingham Conservation District would like to request technical assistance. The requested time would also be used for the ISWCC staff member assigned to the NBCD to attend District Board meetings. Natural Resource Conservation Service representatives also regularly attend District Board meetings, and the interaction between NRCS staff, ISWCC staff, and the District Board will contribute in keeping everyone informed and promote the conservation partnership.

Additionally, the district is requesting hours for assistance in teaching educational programs in local school districts.

Thank you for your consideration in assisting the district to reach its goals and priorities, and further it's mission.

Thank you

Garth Clinger  
Board Chairman
