Dear Administrator:

Please be advised that the Board of County Commissioners has reviewed your request for \$10,000 for the fiscal year beginning July 1, 2013-June 30, 2014. A final decision was made during our budget hearings for the new fiscal year. At that time, the amount of \$10,000 was approved.

The Clearwater Soil and Water Conservation District shall request the funds at the new fiscal year beginning October 1, 2013, to the County Commissioners. Such funds are to be used by the District in their General Operations, as outlined in the District work plan supplied to us. It is also our understanding that the State of Idaho may match the County funds provided the state legislature appropriates adequate funding.

If we can be of further assistance, please contact us.

Sincerely,

Don Ebert, Chairman
