Dear Mr. Kunau,

The Cassia County Commissioners, barring unforeseen emergencies, intend to provide the West Cassia Soil and Water Conservation District \$3,000.00 during fiscal year 2014. The West Cassia Soil and Water Conservation District shall request the funds on or after October 1, 2013.

Such funds are to be used by the District to carry out an active conservation program, as outlined in their work plan. It is also our understanding that the State of Idaho may match the county funds received by the West Cassia Soil and Water Conservation District not to exceed twice the county allocation provided the State legislature appropriates adequate funding to meet the requested match.

With best regards,
