

Recent projects:

Sage Grouse management plan

- Blaine Soil Conservation is currently involved with writing a Sage Grouse management plan. It is our hopes that we can coordinate with other districts and BLM to provide land management in the event that the Sage Grouse becomes listed in 2015.

Christmas Tree Sale

- The BSCD is currently doing a Christmas tree sale. We purchased 25 trees to sell to the local community as a small fund raiser. We have been very successful with this small fund raiser so far and hope to continue in years to come.

FFA Meeting

- Recently we had a meeting with the Blaine County school district Super Intendant in the hopes of reestablishing FFA and Agriculture programs back into the Blaine County School District.

Future Projects:

Community Garden

- We are currently working with land owners to establish a central location to put a small green house in hopes of a future community garden.

Annual Tree Sale

- Every spring we host an annual tree sale.

Information

- BSCD is working hard and making the community more aware of the Soil and Water issues that affect Blaine County and what they can do to help us fight erosion and water waste.
- BSCD plans to continue Snow Surveys to provide water reports.
- BSCD now offers forage and soil sampling to Blaine county areas.

Education

- BSCD continues to offer yearly scholarships to Blaine County Seniors.
- BSCD is a sponsor of the Poster Contest at local, state, and national levels.
- BSCD will continue to sponsor the sate Envirothon Competition.
- This year we will reintroduce our education booth and the County Fair.
