

North Bingham Soil & Water Conservation District

2014 Conservation Projects

North Bingham District Employees went into schools to teach the students about conservation. They also went back to the schools to teach the children about Arbor Day. They provided the children with a tree to plant for Arbor Day.

725 Jensen Grove Dr. Suite 3
Blackfoot, ID 83221

FY 2014 Revenue

State	\$13,778.61
County	\$ 2,200.00

Funding

NRCS	1,019,222.10
------	--------------

We are working on a Project to Plant some Trees at the North Shelley Park. This Park borders the Snake River and is a real asset to our Community. There is a need for some vegetation updates along the bank area that will also help with the erosion there.
