Mission Statement and Purpose

Oneida Soil and Water Conservation District strives to develop County solutions to sustain, conserve and improve our natural resources and promote sound management practices that protect the environment and are economically feasible and productive.

Top 5 District Priorities

- 1) Water Quality
- 2) Rangeland
- 3) Non – Irrigated Cropland
- 4) Irrigated Cropland
- 5) District Operations/ Information

Oneida Soil and Water Conservation provided assistance and support to the USDA, with Equip applications and contracts. In Co – operation with the Idaho Soil & Water Conservation Commission and the Idaho Division of Environmental Quality, implementation was completed on our Wide Hollow project that we completed.

2014 Boat Station

The operation of the southeast Idaho’s inspection and decontamination boat station was an intricate part of our district operations. Through an agreement with the State of Idaho Department of Agriculture. The Oneida SWCD supervised all the operations of the watercraft inspection station at the rest area south of Malad

Changes

Linda Daniels decided to retire this year after 34 Years of Service. The District is very appreciative of her support and dedication for her services over the years. With her retirement brought a new face.

Tori VanBebber has taken on the task of Administrative Assistant. I was born and raised in Portage Utah. I went to Bear River High, I met and married my best friend in 2007. We have three wonderful kids, I live in Samaria Idaho just 8 miles west of Malad where we enjoy playing with the kids and riding our horses, snowmobiling and anything outside.
