Central Bingham 2015 Projects

Central Bingham Tree Sale

Central Bingham held it's annual Tree Sale in May. The money that is earned from this is used throughout the year to help with the education of children throughout the county. We have also visited with Cub Scout Troops, using our enviroscape model helping them with their conservation requirements.

The Central Bingham District also supported the Snake River FFA for Ag Days that was held at Snake River High School for 2 days. Students K-2 were bussed to the school and attended over 10 stations of educational information.

We are hoping to work on a stream flow data project with a Canal Co. the summer of 2016.
