

Public Records Requests

Requests for information to ISWCC generally fall into two categories: general information request or public records request.

General Information Request

A general information request includes, but is not limited to, information pertaining to how ISWCC operates and requests for copies of agency policies, forms, procedures, pamphlets, booklets, and other printed information designed for distribution.

General information requests can typically be made and answered through a phone call or e-mail to ISWCC.

Public Records Request

A public records request includes, but is not limited to, written documents and electronic files containing information relating to the conduct or administration of the public's business prepared, owned, used or retained by ISWCC. All persons requesting access to ISWCC records are required to make a written request.

While most agency records are available to the public, certain records may be withheld from disclosure due to their confidential nature; the exceptions to public record disclosure are described in the Idaho Public Records Law Manual.

Submitting a Public Records Request

Requests may be submitted via a hard copy form by email, fax, mail, or hand delivery to ISWCC Public Records Coordinator.

Public Records Request Fees

Idaho Code authorizes ISWCC to establish a copying fee schedule reflecting the actual copying costs. No administrative or labor costs resulting from locating and providing a copy of the public record may be charged unless the request is for more than one hundred (100) pages, includes records from which nonpublic information must be deleted, or the actual labor associated with locating and copying documents for a request exceeds two person hours. Access the fee schedule and a fee waiver form here.

Public Records Request Fees

Idaho Code §9-338 authorizes ISWCC to establish fees to recover actual costs associated with locating and copying documents in responding to a public records request (PRR). Except for fees that are authorized or prescribed under other provisions of Idaho law, no fee shall be charged for the first two (2) hours of labor in responding to a PRR or for copying the first one hundred (100) pages of public records requested. ISWCC has established fees to recover the actual costs associated with locating and copying documents if:

- The request is for more than one hundred (100) pages of paper records.
- The request includes records from which nonpublic information must be deleted.
- The actual labor associated with responding to the request exceeds two (2) person hours.

Pursuant to Idaho Code §9-338, ISWCC establishes the following Public Records Request Fee Schedule:
