Dear Delwyne,

The Butte Soil and Water Conservation District is requesting Idaho Soil and Water Conservation Commission staff time for board meeting attendance, technical assistance and workshop assistance.

We appreciate having ISWCC staff present at our board meetings to build the relationship between the District, the Commission, and the NRCS. We are also requesting three hours of technical assistance with District reports to the ISWCC (5-year plan, annual report, etc.). Furthermore, we are hosting a few educational workshops and events this year that we are requesting assistance from ISWCC.

Thank you,

Randy Purser
