Idaho Soil and Water Conservation Commission
322 E. Front St., Suite 560
Boise, Idaho 83702

Dear ISWCC,

The Camas Soil Conservation (CCD) is requesting from the Idaho Soil and Water Conservation Commission 25 hours of staff time in the form of Comprehensive District Assistance. This time will be used for the ISWCC staff member assigned to CCD to:

- Attend District Board Meetings
- Work with the NRCS District Conservationist
- Work with the CCD Administrative Assistant on Annual and 5-year plans and other CCD required documents.
- Soil sampling and project development.

This request is made due to the limited time that ISWCC has allocated for their staff to attend board meetings. The CCD board feels that it is beneficial to have ISWCC staff on hand at District Board meetings. This will facilitate communication between the CCD Board, ISWCC, and NRCS and better provide assistance to the District. This partnership is crucial to the conservation efforts in Idaho.

The District assistance certification is also included.

Thank You,

Kevin Wear
CCD Chairman
