Dear ISWCC,

The **Madison SWCD** is requesting 27 hours of Idaho Soil and Water Conservation Commission staff time in the form of Comprehensive District Assistance. This time will be used for the ISWCC staff member assigned to the **Madison SWCD** to attend District Board meetings, workshops and tours.

This request is made due to the limited time that the ISWCC has allocated for their staff to attend board meetings. The **Madison SWCD** board feels that it is beneficial to have ISWCC staff on hand at District board meetings. This will facilitate communication between the **Madison SWCD** board and ISWCC and better aid the District.

Natural Resource Conservation Service representatives also regularly attend District Board meetings, and the interaction between the NRCS staff, the ISWCC staff, and the District board contributes toward keeping everyone informed, and promoting the conservation partnership. This partnership is crucial to the conservation efforts in Idaho.

The District's Certification is attached.

Respectfully,

MADISON SWCD
