Dear Idaho Soil and Water Conservation Commission

The **North Side Soil and Water Conservation District** (NSSWCD) is requesting from Idaho Soil and Water Conservation Commission 20 hours of staff time in the form of Comprehensive District Assistance. This time will be used for the ISWCC staff member assigned to NSSWCD to:

- Attend District Board Meetings.
- Provide support and assistance to NRCS staff.
- Work with NSSWCD Administrative Assistant on Annual and 5-yr Plans and other SWC required documents as needed.

This request is made due to the limited time that ISWCC has allocated for ISWCC staff to attend board meetings. This will facilitate communications between NSSWCD and ISWCC to better provide assistance to the District and also interact with NRCS personnel. This partnership is crucial to the conservation efforts in Idaho.

Sincerely,

Roy Prescott
NSSWCD, Chairman
