RE: ADMINISTRATOR'S REPORT

Staffing Updates

Administrative Assistant

We are getting close to hiring a person to fill our Administrative Assistant position formerly held by Crystal Rosen. This is the first hire we have done using Luma and we've greatly appreciated the help provided by the Division of Human Resources (DHR) team assigned to assist our agency. Melonie has screened the eligible applicants, is scheduling interviews, and can answer any questions you may have about that process. I greatly appreciate the work Julie Downer has done to keep us current on our administrative tasks.

Natural Resources Conservationist, SW Idaho

The announcement for this vacant position, formerly held by Joe Peterson, is being advertised through September 25th. After the announcement closes, DHR will score the applicants and provide us with the list of those qualified for the position. I hope to have a suitably hungry, humble, and smart person hired to fill this position before the end of October!

Natural Resources Conservationist, Magic Valley

Dustin Diaz, who has served the last two years as our Natural Resources Conservationist stationed in Jerome, has accepted a position with the Natural Resources Conservation Service in Jerome. As the chair of one of the districts Dustin serves described it, Dustin came to us "greener than green", and it has been a lot of fun watching him develop into a competent and confident conservationist. His last day is going to be October 6th. We've already announced the upcoming vacancy, the announcement closes September 27th, and I hope to hire his replacement by early November.

IASCD Fall 2023 Division Meetings

Each of the six divisions has set the date for their Fall, 2023 meetings. The conservation districts that make up each division appreciate it when the Commissioner representing their division participates in these meetings, so you are encouraged to attend if you're able. Division meetings are an excellent opportunity to build relationships with district supervisors and their staff. There is generally time for visiting before the meeting, during the meal, and even in the parking lot after the meeting.

The division meeting schedule follows. As soon as possible please let Julie know if you can attend your division's meeting. Staff will RSVP and pay for your meal. As the at-large member of your board, Commissioner Hollingsworth will need to let staff know which division meeting he chooses to attend.

IASCD Annual Conference

The IASCD conference is scheduled for Nov. 7-9 at the Riverside Hotel in Boise. An IASCD/ISWCC Joint Listening Session is scheduled for 4-5 PM on Tuesday, Nov. 7. This is an opportunity for boards to respond to questions and listen to comments, concerns, suggestions from District supervisors and staff.

Even though this is a joint board meeting, because a quorum of your board will be present, we must convene the Listening Session as a properly noticed Commission meeting. For your information, because the IASCD is not a public agency, they are not subject to Open Meeting Law.

Except for the listening session, your participation in the rest of the conference is optional. Registration packets are not available yet but be thinking about how many days of the Conference you want to participate in. Staff will get you the registration information as soon as possible and will coordinate with each of you to ensure your registration and lodging is taken care of.

District Allocations Work Group (DAWG) Update

The District Allocations Work Group (DAWG) met via Zoom on September 15, 2023. Participating DAWG members were Tom Daniel (Boundary SCD, Division I), Julie Burkhardt (Adams SWCD, Division III), Karen Sharpnack (Wood River SWCD Division IV), Jennifer Jenson (Bear Lake SWCD Division V), and ISWCC Commissioner Wendy Pratt. Staff appreciate the commitment of the DAWG members who help us accomplish the important work of allocating available match funds in a fair and transparent fashion.

Prior to the meeting, all District Financial and Match Reports were sent to the DAWG members on flash drives. During the meeting, DAWG members reviewed each District report and by voice vote acted to recommend which of the funds and services received by each District during FY 2023 were eligible to receive state match funding. This year the match recommendation developed by the DAWG is identical to the match recommendation developed by SWCC staff and is attached (Attachment 9a-1, FY 2023 District Match Eligibility Recommendation – Joint DAWG & SWCC Staff).

After the DAWG meeting, the match recommendation was distributed to all Districts and they were encouraged to contact SWCC staff if they had questions or concerns related to the recommendation.
