Pursuant to section 22-2727, Idaho Code, and IDAPA 60.05.04 we would like to formally document our donation of the following funds and services to the Power County Soil Conservation District Conservation District during the 2023-2024 State fiscal year (July 1 thru June 30).

We understand that the Idaho Soil and Water Conservation Commission (ISWCC) may allocate to the Conservation District matching funds in a sum not to exceed twice the value of local funds and services received by the Conservation District, provided that the legislature has appropriated adequate State funds to ISWCC to meet the requested match.

The funds and services itemized below were provided for the general purposes of the conservation district. None of the itemized funds and services were provided for special projects, for use as required match for specific grants or projects, or on a fee-for-service basis.

The stated value of donated services is based upon the open market value of those services.

In the space below, itemize funds and services donated to the District. For donated services, list each service provided and the value of that service as separate items. Attach additional pages if necessary.
