Bruneau River Soil Conservation District Board Meetings held the 2nd Wednesday of the Month at 10 am at the Bruneau Emergency Center
32531 Belle St
Bruneau, ID 83604

Bruneau River Soil Conservation District Mission:

To take available technical, financial, and educational resources, whatever their source, and focus or coordinate them so that they meet the needs of the local land user for conservation of soil, water quality, and fish and wildlife habitat.

Current Projects

- Provide Technical and financial assistance to cooperators through NRCS, ISWCC, USFWS, Fish & Game and other funding sources to develop and implement best management practices to conserve the districts renewable natural resources
- Finished partnering with ISWCC to help sponsor and help administer a WQPA project-project funded in June 2025.
 - 2 miles of open, earthen canal conversion to a buried pipeline for the West Indian Cove Water Company in Hammett Idaho completed
- Provided office space for NRCS/NACD Partner to avoid interruption for contracting.
- Administration of Quagga mussel boat check stations in partnership with ISDA and Owyhee County Sheriff's Department at Bruneau and Marsing. Bruneau and Marsing Stations conducted a total of 9,066 boat inspections in 2025. Education of the public was a top priority of the stations in the Clean, Drain, Dry mantra.
- Working with NRCS/ISWCC on the NWQI project on implementing structures for water control and irrigation water management conservation practices.
- Providing scholarships for college-bound students in the Quagga mussel boat check intern program.
- Providing Rimrock High School's Agricultural Greenhouse program with a shed.
- Helping with upcoming field day in Spring 2026 for local high school students.

Bruneau River Soil Conservation District
