Future Projects and Programs

Continued efforts will be made to leverage the available federal anadromous fish monies to benefit land owners and natural resources within Lemhi County in addition to ESA listed and resident fish species.

The Lemhi SWCD will continue to focus on youth and adult education through the coming year. This will include participation in Family Fun Night at the Lemhi County Fair, poster contest, and taking a more active role in National Agriculture Week while continuing the educational programs already in place.
