This Fall we Co-sponsored a Cover crop tour, going to several growers including Supervisors from our District, who both grazed the crop and use the crop as a soil health benefit. They were able to ask about the things that worked well, as well as the things they would change next years.

Top 5 Priorities

1. Water Quality
2. Weed & Pest Control
3. Water Resources & Quantity
4. Soil Erosion & Health
5. District Operations

We joined an ongoing Water Education Day in Shelley that has been put together by Idaho Power, Fish & Game, Eastside & Westside Conservation Districts.

This year we have worked on obtaining grants to help enhance our Education budget and increase the ability to visit schools with all the tools needed to make learning an enjoyable experience. We have applied for a couple, but are still waiting for one to be awarded.

FY 2018 Revenue

State	\$11,300.00
County	\$ 2,200.00
Match Funds	\$ 3,023.68

We are joining forces with our County Weed Supervisor on a couple very needed projects. We co-sponsored a Workshop targeting on a couple new noxious weed invasions that are occurring. Yellow Star Thistle has migrated into our County and we are working hard to get rid of it. Flowering Rush is also entering our waterways.
