- The district continues to work jointly on a Soil Health project with East Cassia SWCD and Minidoka SWCD, promoting minimal tillage practices and cover crops. The project was funded through a grant received. No Base or Match funding was used for this project. The three district also work jointly on their annual tree sale which educates patrons on the benefits of windbreak projects and offers trees and bushes for sale at a low cost for such projects. No Base or Match funding was used for this project as this project funds itself each year through tree sales.
